

**'69 BOBCAT**

"Reserved" for John Shumake

To the one I hold most dear in all the world.

Hi, darling, I don't really know what to write here so I'm just going to tell you how much I love you. You mean the world to me and without you I'm nothing, I have no meaning in life, nowhere to go. In a few years we'll be able to do the thing we want most but until then we must content ourselves with a few short moments together. There along with our sadness at parting and loneliness from being apart are all steps leading to the time when we'll never part again.

This is the day we both dream of and when it comes will be me. I'm really very proud of you, baby.

Love

all my love

Martha A. Weaver  
Senior - 1968-69

Martha,

I have enjoyed having  
Chorus with you, I  
only wish I could have  
had more class with  
you. Since I won't be  
here next year, I'll  
be missing you and  
your kindness. Remember  
my terrible Road. Thanks  
Again, Thanks A million

Love Joyce (Pinson)

Dear Martha,

What can I say to my very best friend?  
All the times we've talked over things, like Johnny and  
Ralph. And when your mother burned the toilet!  
We even shared our bus seat. I sure do hate to see  
you graduate, write me, will you? We sure did  
win a few this year, didn't we? You are a  
great guard. Be good and remember that I love you.

Betty Ann

Martha, I've been great

## A school year

A school year is from September to May, but since the annual must go to press in January, an annual year is really from January to January. It is this year that we attempt to present on these pages. We, the Annual Staff, begin our year in January, recalling such events as the prom, graduation, and, of course, the beginning of a new school term. We view Gilmer High as a place of learning, a place of tradition, and a place where all students are encouraged to accept the challenges of mental, physical, social, and spiritual growth.

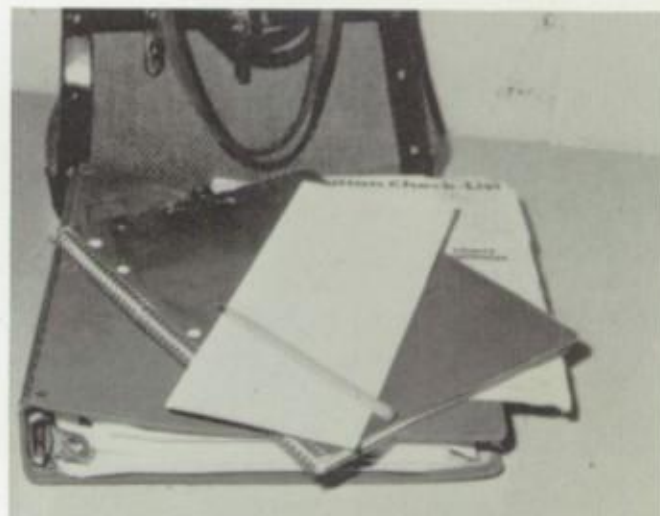

Martha,  
 Good luck and best wishes to  
 a very sweet girl. Remember  
 all the ball games and all  
 the good times in Cores.  
 Be good and be sweet. Remember  
 my as a friend always. May  
 God bless and keep you.  
 Love,  
 Debbie

Mother,  
 I have enjoyed going  
 to school with you.  
 Your thoughtfulness and  
 kindness will always  
 serve as a source  
 or a source of inspira-  
 tion for me. Good luck  
 And best wishes,  
 Wallace  
 Connor

## Prom time . . .

The most formal event each year is presented to the Seniors by the Junior Class. It's an expensive and rewarding affair as the bare gym at GHS is transformed into a fantasy wonderland.

Martha,  
Best of luck  
to a real sweet  
girl. Remember all our  
good times in Chorus  
May God bless and  
keep you always.  
Love,  
Donna

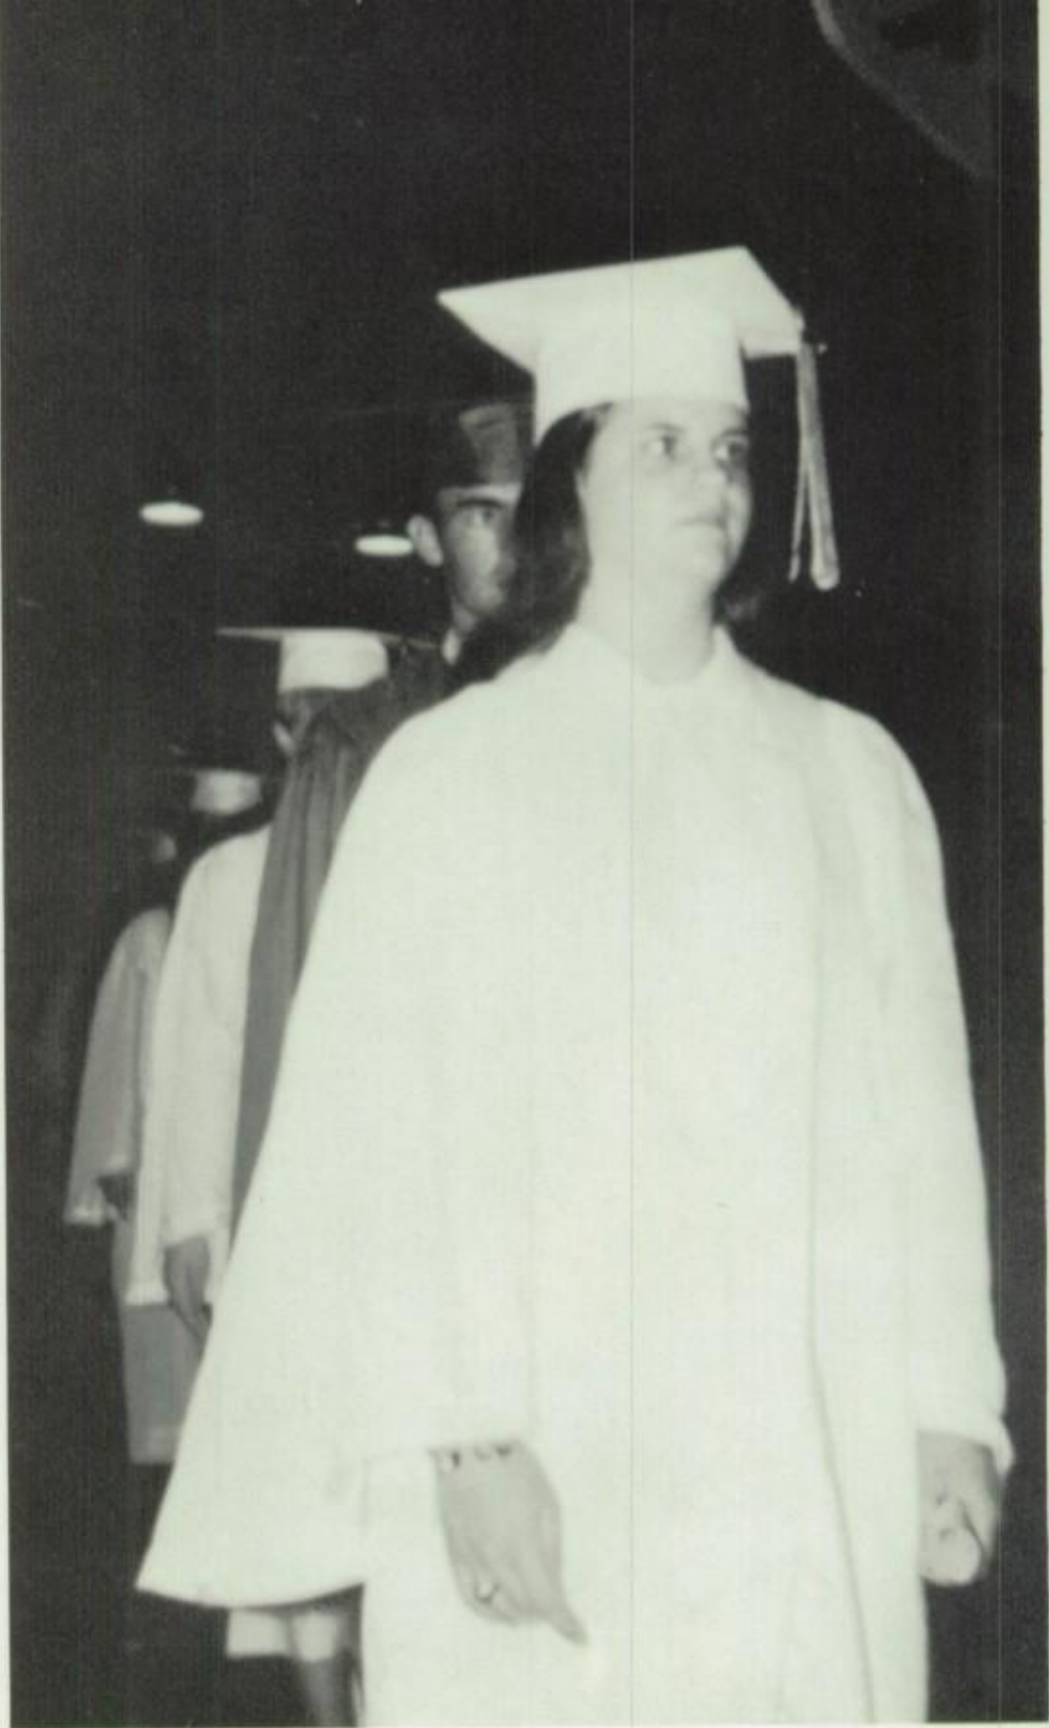

## Graduation . . .

The time is early June 1968--the people sad but wiser. Perhaps they will visit again--Meanwhile, they seek success and a resort of their own.

## September . . .

The long summer is over and the GHS students return to the familiar classrooms. The brisk air brings the football fever with its determined players and cheering crowds. The curriculum offers many worthy clubs and special assemblies centered around leadership and creativity.

Martha,  
 It has been great fun knowing  
 you this year. I will never forget  
 all the good times we have had  
 together. Always remember me as  
 one of your friends. You are a very  
 sweet & dear person. Good luck & best  
 wishes in the future.

## Homecoming . . .

It was a night of expectation . . . of longing for victory  
 . . . of tired faces and sore feet . . . of preparations and  
 cherished hopes . . . of beautiful smiles and solemn  
 escorts . . . of happiness for Debbie and her court. Yes,  
 it was Homecoming night, never to be forgotten.

Well, this is our last year of school  
 together. I have really enjoyed  
 going to school with you all these  
 many years. Always remember  
 the good times we've had in  
 our school and on up through  
 high school. I'll never forget the fun  
 we had practicing for the fashion  
 show. I want to wish a real sweet  
 and cute girl all the happiness in the  
 world. Good luck and best wishes always.  
 May God bless you.

Martha,  
 I have enjoyed knowing, and going to school with you  
 all these yrs. You are a very sweet girl  
 with a great personality.  
 I want to wish you all  
 the luck in the world.

Each strives to develop on his path to adulthood.

# DEDICATION—MRS. INEZ CRISP

We, the students of Gilmer High, would like to show appreciation and gratitude for one of our school's finest teachers. She is patient and understanding with all who come to her for help. She is a kind person, willing to believe that each student is worthy and capable of the best.

As a teacher she furnishes an atmosphere for learning and creates within the student a desire to learn. The subject which she teaches provides good learning experiences for each individual and develops character within that person.

Home economics is the tool which this teacher uses as the key to opportunity and higher learning. Therefore, in order to recognize one who has dedicated herself to us, we proudly dedicate the 1969 Bobcat to Mrs. Inez Crisp.

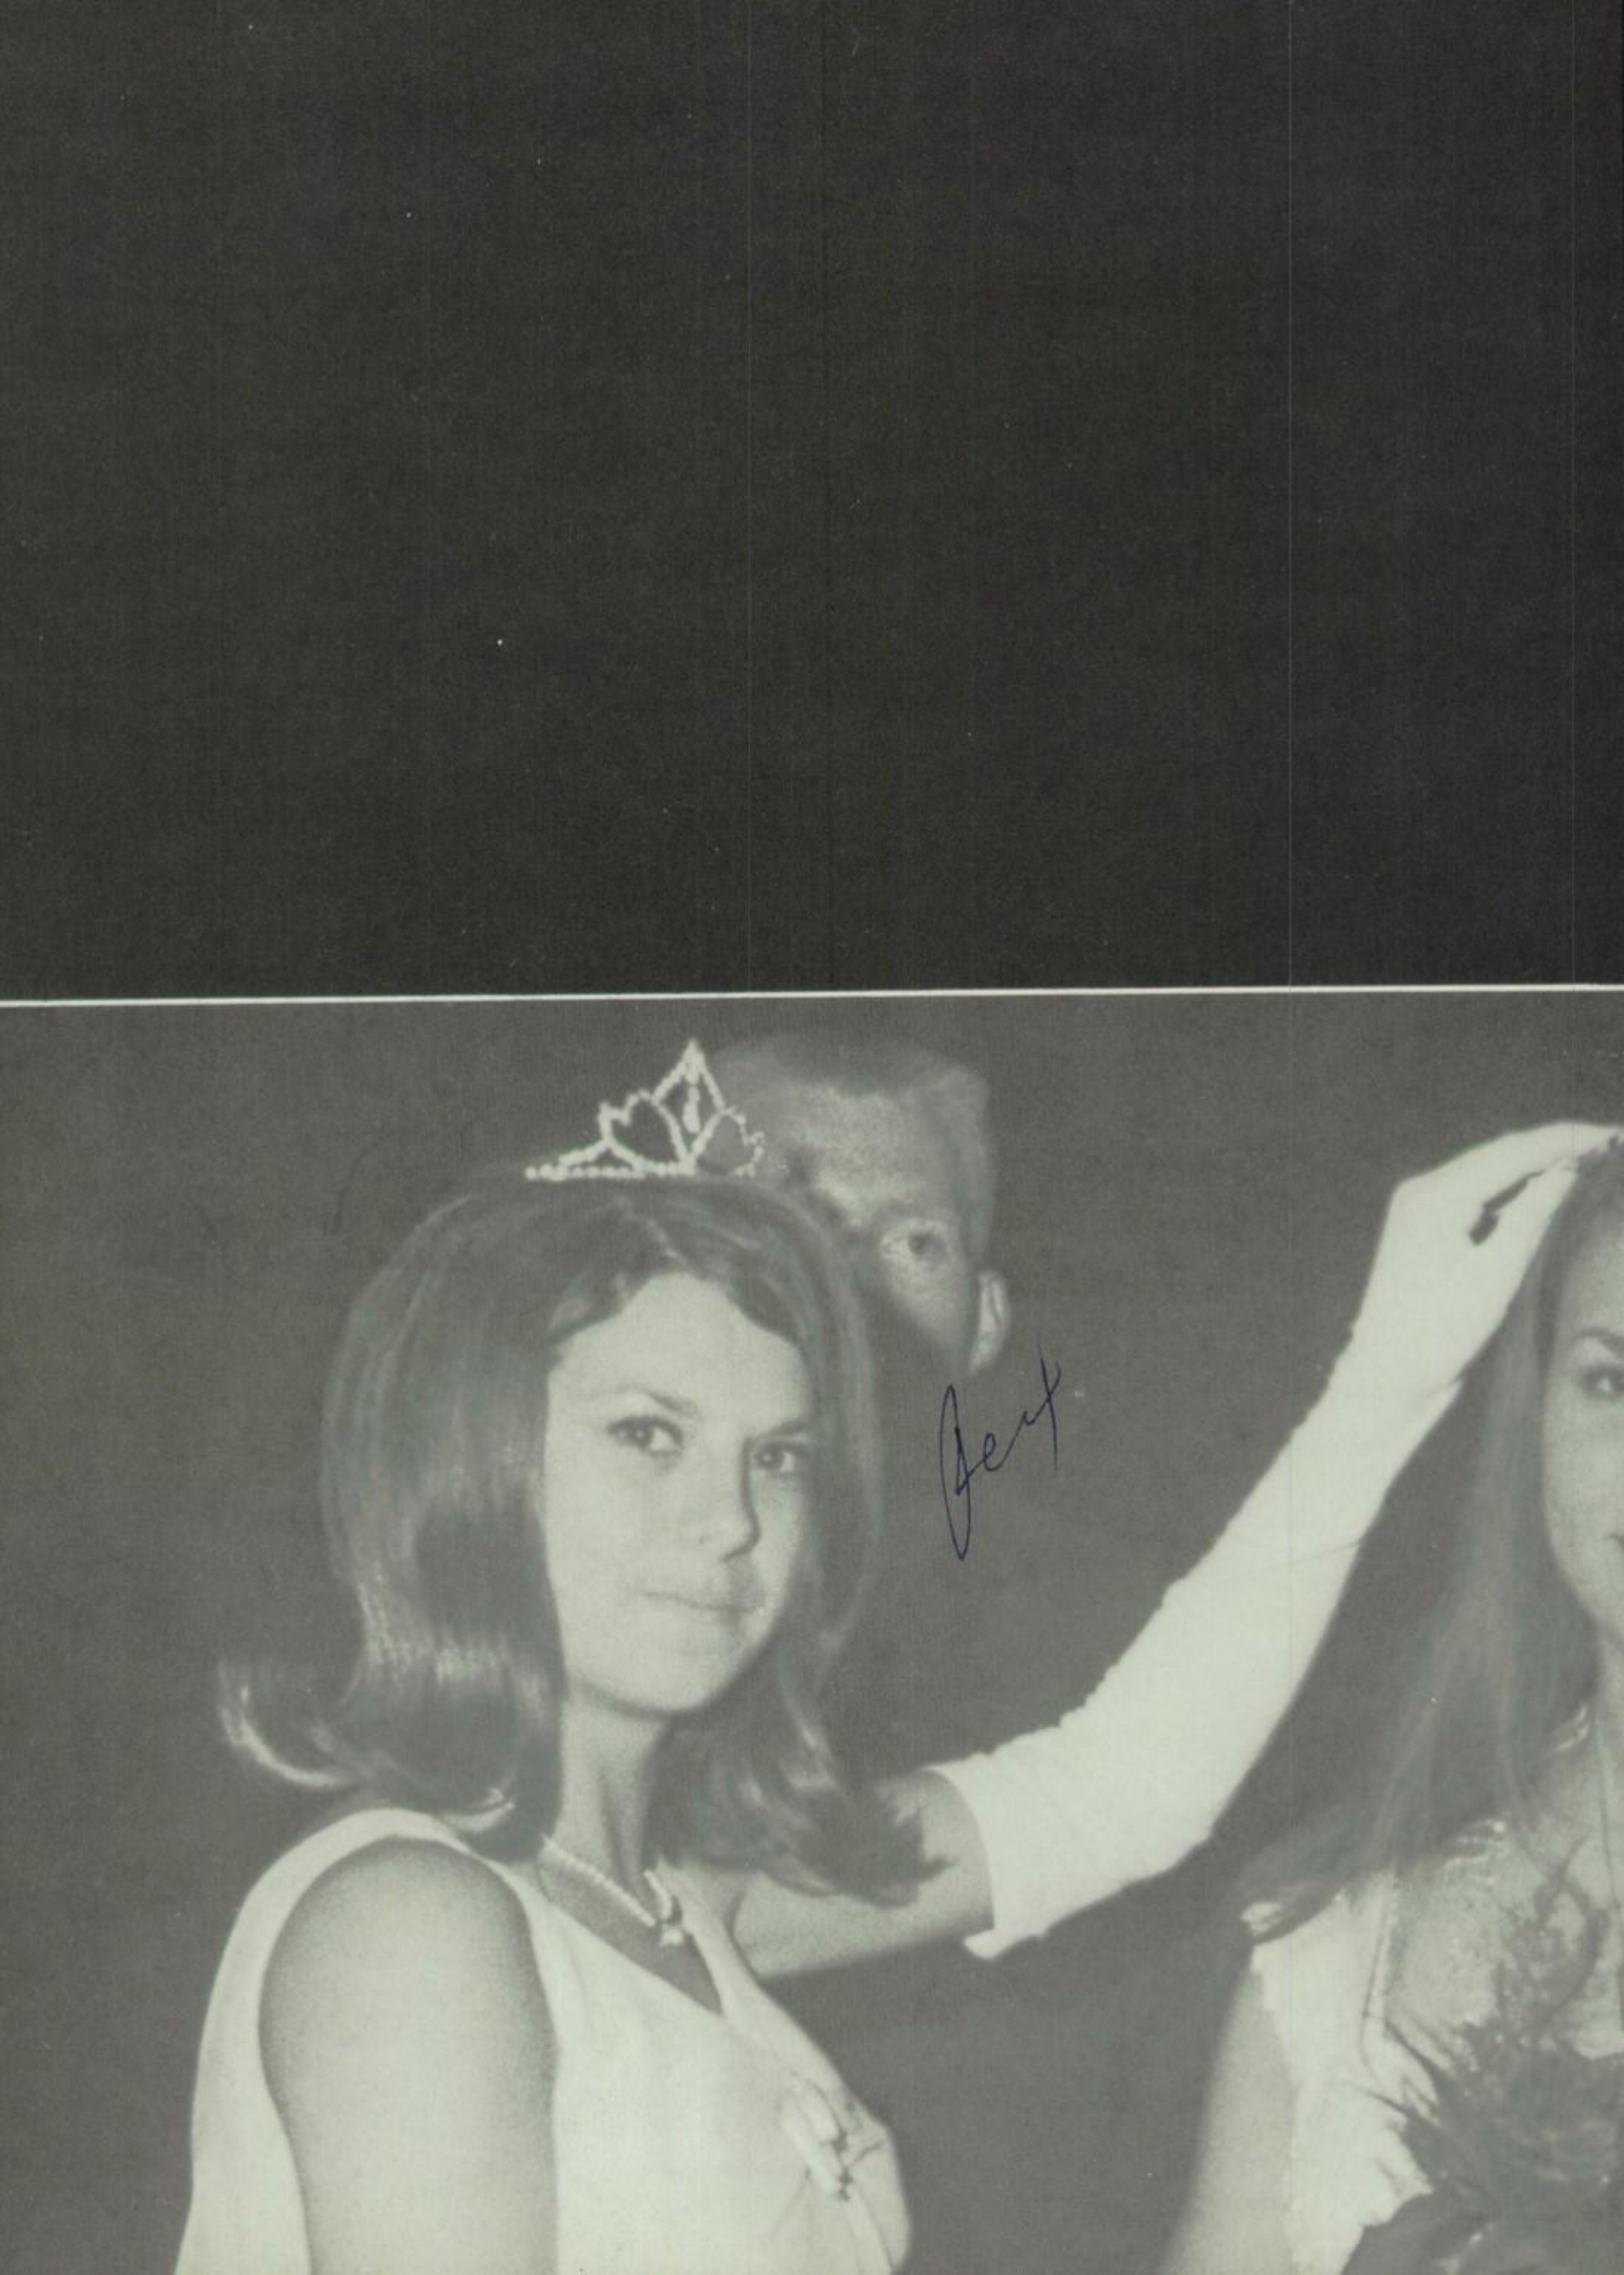

Martha,  
You are one of the  
sweetest if not the  
sweetest girls I know.  
I'm very happy to  
be able to sign your  
annual. Best of  
Luck, always!

Love,

## GIRLS' BASKETBALL

Coach:  
Mrs. Maxine Jackson

This year the girls' basketball team has done exceptionally well under the guidance of its new coach, Maxine Jackson. Starting to work early in the school year, the girls were ready when November 26 rolled around with their first ballgame. This was with Fairmount and the Bobcats were victorious 74-25. Since then, they have added six more victories to their list and six losses, none by over fourteen points. With seven more games before February 11, we hope to add more victories to our list. We can truthfully say that Maxine did a lot to build up the skill and spirit of the ball team. Long live the Bobcats!

Well, Martha I will always remember the 7th grade. That is where we first got to know each other and be such good friends. You are very lucky Martha because you not only have a lot of brains, you're very pretty, but you also have the best personality of anyone I know. You have no trouble making friends, and you never meet a stranger. If I ever get hurt, I will call for nurse Martha O.K. Best of luck Martha

And try to always be like you are now.
